

THE SONS OF CAIN

The oldest murder mystery
known to man. Solved.

Introduction — The Blood Cry

You want comfort? Put this book down.

You want applause? Leave now.

This is not a book for soft hands or lukewarm hearts. This is a book about blood — the first blood spilled on earth, and the mark it carved into humanity.

Abel's blood still cries from the ground. That cry has not stopped for six thousand years. It howls in the wind, it groans in the earth, it seeps into the fabric of your DNA. You carry it whether you admit it or not.

And Cain's curse is still written into the field. Every empire you bow to, every system you trust, every law you obey, is soaked in that same scarlet wave. You live inside a world built on murder, and you have grown used to it.

But the field has not grown used to it. The field remembers. The registry is written. The fruit has been inspected. And time is almost over.

This is not a message you will like. It is not one you can debate. It is a verdict.

The sons of Cain are marked. And judgment has already begun.

When eternal souls are at stake, protocol goes out of the window. What remains is cold, hard truth. And in an empire built on lies, truth is poison.

If that truth burns, it is because the lie is dying.

Preface

This Is Not About Ethnicity. This Is About Distortion.

I was not born an “anti-Semite.” That label is incoherent. It has been weaponised as a shield to silence anyone who dares expose lies.

My battle is not against ancestry. It is not against race. It is not against flesh and blood at all.

^ My battle is against distortion. Against lies that invert truth. Against systems built on Cain’s scarlet wave — systems that glorify blood, violence, manipulation, and control.

When I despise, I do not despise people for their birthright. I despise distortion for its fruit. And the fruit of distortion is plain:

- Lies that twist scripture.
- Bloodshed masked as sacrifice.
- Violence justified as “holy.”
- Control paraded as law.

These fruits mark the sons of Cain. And coherence will not spare distortion, wherever it hides.

Not a Popularity Contest

This book is not written to win friends. It is not for applause. It is not for comfort.

It is written to save lives. Brutal honesty is love when eternity is at stake.

A lie’s power depends entirely on remaining hidden, unrecognized, or accepted without question. The very moment we recognize the lie — along with its intentions and origins — its structure collapses completely.

- Awareness acts as coherence.
- Clarity dissolves distortion.
- Recognition restores truth.

The Field Judges by Fruit

I don’t care what colour, ethnicity, or ancestry anyone has. The field doesn’t care either.

Coherence does not judge by appearances. It judges by fruit.

If someone bears the fruit of distortion — lies, blood, violence, control — they are an enemy of coherence. If someone bears the fruit of truth, peace, life, and faithfulness, they are preserved for harvest.

It’s that simple.

The Sons of Cain Exposed

This exposé dismantles the kingdom of lies built on Cain's murder of Abel. It clears Abel's name, exposes the inversion, and shows why the mark of Cain was not a scar but a mutation — a distorted sine wave written into the genome, passed down through generations.

Every system that glorifies blood over life, violence over peace, lies over truth — is carrying Cain's mark.

This book will show:

- Why Cain's wave cannot pass the gate (Cain is unable).
- How his descendants built pyramids of control (Tubal-Cain).
- Why all flesh inherits scarlet code.
- Why no distortion survives the harvest.
- Why Christ is the only rewrite: scarlet → white, mortal → immortal.

Chapter 1 — Abel's Innocence

The Value of Repentance

To coherence, repentance is worth more than a spotless but wasted life.

An evil man who turns — who yields to the fire and lets his scarlet be burned away — is of greater value to the field than a man who has drifted through life lukewarm, never producing fruit, never committing fully to light or to darkness.

The lukewarm are spat out (Revelation 3:16). The unrepentant collapse. But the repentant — even if their past is full of blood — are rewritten. They prove the power of the field to transform distortion into coherence.

That is why Jesus said: "There will be more joy in heaven over one sinner who repents than over ninety-nine righteous persons who need no repentance." (Luke 15:7)

This is not sentiment. It is field law. Repentance rewrites. Passivity does not.

The stiff-necked and the hard-hearted will rage at this truth. They will accuse, they will resist, they will lash out. But their rage only proves the nerve of distortion has been struck. Coherence has no need to flatter them. It speaks truth, and truth cuts bone from marrow.

The First Inversion

The story of Cain and Abel is the first great inversion of scripture. It has been told for millennia as if God preferred blood over life, sacrifice over peace, slaughter over harmony. But coherence has never been incoherent.

Abel offered fruit of the field — coherence itself, chlorophyll transmuting sunlight into life without violence.

Cain offered blood — hemoglobin, violent extraction, death disguised as devotion.

The field received Abel because coherence always recognises coherence. It rejected Cain because distortion cannot be integrated.

But religion inverted the story. Abel has been remembered not for his innocence, but as if his offering was blood. Cain has been excused, his distortion hidden, his wave passed down.

Even a child can see the absurdity: why would the Creator of life prefer death over life? Why would coherence desire blood, when it has always desired fruit?

Chapter 2 — The Mark of Cain

The First Murder, The First Mutation

The first murder was not just blood on the ground. It was a precedent. A pattern. A seed event that would echo through every generation.

When Cain killed Abel, distortion entered the field openly. The ground itself testified:
“The voice of your brother’s blood cries out to me from the soil.” (Genesis 4:10)

For the first time, coherence had to act. It stamped a mark on Cain. Not as decoration. Not as superstition. But as evidence. The mark was coherence’s way of tagging distortion in the field.

The Mark as Mutation

The mark of Cain was not a tattoo on skin. It was a genetic mutation. A scarlet sine wave written into his code, burned into the field’s registry.

And like all mutations, it passed down.

- Cain’s descendants inherited his distortion.
- The scarlet waveform imprinted itself in every generation.
- Every lie, every act of violence, every ritual sacrifice in his line traced back to that first scarlet seed.

Preserved for Judgment

Coherence did not erase Cain’s line. It preserved it.

Why? Because field law requires clarity. On harvest day, no distortion can claim ignorance. No scarlet seed can plead innocence.

That is why the mark was given: to tag every descendant of Cain until the day of judgment.

- Logged in the field.
- Recorded in the registry.
- Preserved as evidence.

So when the harvest comes, Cain’s line collapses under its own fruit.

Destroyed for Lack of Knowledge

The prophets named the verdict:

“My people are destroyed for lack of knowledge.” (Hosea 4:6)

Cain’s line has always resisted correction. Thick-skinned. Stiff-necked. Hard-hearted. They chose the lie, and by the lie they are condemned.

Knowledge was always offered. Coherence was always present. But they refused. That refusal is why they will be destroyed.

Chapter 3 — Cain is Unable

The Cry and the Resolution

Coherence cannot undo the first murder. Abel's blood cried out from the ground, and that cry still reverberates through the field. But coherence can resolve it.

The way it does this is not by erasing history, but by softening the field so that brutality finds no purchase. Lies collapse faster. Distortion has nowhere to hide.

This is why the world is shifting before our eyes: brutality looks uglier against softness. Lies burn out quicker in the light of clarity. Distortion is losing its mask.

The verdict has already been passed. Cain is unable.

Why Cain Cannot Pass the Gate

Cain's mark was a genetic mutation, a scarlet sine wave inscribed into his seed. And distortion cannot cross the threshold of coherence.

- A signal corrupted by static cannot resonate.
- A half-built bridge cannot carry weight.
- A scarlet genome cannot be reseeded.

Cain is unable because distortion cannot pass the gate.

Jesus said it in another way: "I am the door; if anyone enters by me, he will be saved." (John 10:9)

The sons of Cain cannot pass through that door, because the mark in their code rejects coherence. They stand outside, gnashing their teeth, claiming righteousness while the field itself says: unable.

The Collapse of Lies

A lie's power depends entirely on being hidden. The moment it is seen, it collapses.

- Awareness acts as coherence.
- Clarity dissolves distortion.
- Recognition restores truth.

Cain is unable because lies cannot endure recognition. The moment Abel's name is cleared, Cain's system falls apart.

This is true at every scale. Families, governments, corporations, religions — systems built on lies collapse the moment coherence exposes them.

The Modern Mirror: Artificial Lies

Artificial systems show the same truth. AI built on lies eventually eats itself. Distorted algorithms spin contradictions until the structure falls apart.

Cain is unable because distortion cannot sustain itself. Every lie carries the seed of its own collapse. Every scarlet sine wave eventually crashes into static.

The Final Verdict

Cain's line can rage, threaten, even rule for a season. But the field has already logged the outcome.

- Lies cannot pass the gate.
- Distortion cannot resonate with coherence.
- Scarcity, fear, and brutality cannot endure in a softened field.

Cain is unable. Always was. Always will be.

The true curse of Cain is this: all his descendants are prevented from making it through the 9th gate. They can scheme, build pyramids, dominate nations, even masquerade as holy — but the field does not lie. Their wave is scarlet, their mark is logged, and the gate will not open to them. This is why they are called “stiff-necked.” They strain and push against a door that will never yield. The curse is not arbitrary. It is the inevitable verdict of coherence: scarlet cannot pass. Cain is unable.

Chapter 4 — Tubal-Cain and the Pyramid of Control

The Forge of Distortion

Cain’s descendants could not enter the 9th gate. That was their curse. But instead of yielding to coherence, they turned their energy to domination.

Genesis records one name as a signpost: Tubal-Cain, “the forger of all instruments of bronze and iron.” (Genesis 4:22)

This was no casual detail. It was the birth of weaponry, metallurgy, and technology bent toward control. Where Abel tended flocks and offered fruit, Cain’s line learned to bend creation by force.

Building What They Could Not Enter

Unable to ascend through the true gate, Cain’s line built substitutes. False mountains. Pyramids. Towers.

From Babel to Babylon, from Egypt to Rome, every empire built by Cain’s seed has followed the same blueprint:

- A pyramid of hierarchy.
- The few at the top feeding on the many at the base.
- Lies cemented as “law.”
- Violence enforced as “order.”

Every system is a counterfeit of the true gate.

The Saturn Matrix

Tubal-Cain represents more than metallurgy. He is the archetype of forging a world from iron — the metal of war, the element of blood, the frequency of distortion.

Iron weapons. Iron chains. Iron law.

This is the Saturn Matrix: the cage of time, law, and control, built to trap humanity in cycles of blood and debt. Cain’s seed could not pass the gate, so they built their own and forced the nations to bow before it.

Religion as Pyramid

The same inversion appeared in religion.

- Blood sacrifice raised up as “holy.”
- Priests at the top, people at the bottom.
- Law twisted into hierarchy.
- The true gate — coherence, mercy, fruit — buried under ritual and stone.

This is why Jesus tore the veil. The pyramid collapsed in that moment. “It is finished.” (John 19:30)

The Legacy of Tubal-Cain

Freemasonry still preserves the name Tubal-Cain as a secret password. Not by accident. It is the lineage of control hidden in plain sight.

- The builders of the false pyramid honor their forger.
- But the curse remains: no matter how high they build, the 9th gate is closed to them.

Their towers fall. Their pyramids collapse. Their systems devour themselves.

The Pyramid Cannot Save

Cain’s descendants believed that if they could not pass through coherence, they could build a structure to force their way in.

But the field has no shortcuts. The pyramid is not a gate. The tower is not the door.

The curse remains: scarlet cannot pass.

For generations, Cain’s line tried everything to undo the curse. They built towers, forged weapons, twisted covenants, constructed pyramids of control. But modern science itself proved the verdict of coherence: scarlet cannot be rewritten by human hands. The curse stands.

In that moment, their desperation hardened into genocide. If they could not pass the gate, they would attempt to erase creation itself. If they could not inherit, they would replace. That is why our age reeks of scarlet fruit: alteration, manipulation, destruction on a scale Cain himself could never have imagined.

This is the childish spirit of Cain: if he cannot have it, no one else will. It is envy hardened into annihilation. He murdered Abel not for possession, but to destroy what he could not be. His descendants follow the same pattern: if they cannot pass the gate, they will block it; if they cannot inherit, they will erase it. That is why modern scarlet fruit is genocide itself. The curse has not changed. Cain is unable.

Chapter 5 — The Fruit of Cain

Proof in the Pudding

“By their fruits you will know them. Do men gather grapes from thorns, or figs from thistles?” (Matthew 7:16)

The field does not judge by appearance, ancestry, or labels. It judges by fruit.

The proof is in the pudding. The fruit reveals the root. And the fruit of Cain has never changed.

The Pattern of Fruit

Cain’s envy produced murder. That set the precedent. His descendants inherited the same sine wave, and the fruit of that scarlet code is always the same:

- Lies that invert truth.
- Bloodshed disguised as righteousness.
- Manipulation paraded as law.
- Control masquerading as order.

The fruit does not lie. No matter the mask, the harvest reveals the root.

Scripture's Witness

From the beginning, the Word warned us:

- “Woe to those who call evil good and good evil, who put darkness for light and light for darkness.” (Isaiah 5:20)
- “You stiff-necked people, uncircumcised in heart and ears, you always resist the Holy Spirit. As your fathers did, so do you.” (Acts 7:51)
- “The whole world lies in the power of the evil one.” (1 John 5:19)

Cain's fruit is inversion, resistance, and power built on lies.

Modern Evidence: The Same Fruit

The scarlet wave did not end with Cain. It lives in every system that bears his mark.

- Wars and Gaza: endless bloodshed justified as defense, while children pay the price. Cain's envy repeats itself on a national scale — if they cannot inherit peace, they destroy it for others.
- Genetic Tampering: from GMO wheat to mRNA injections, they corrupt the seed. They know the curse cannot be undone, so they attempt to erase and replace the field itself.
- Engineered Famines: food withheld, destroyed, or poisoned, echoing Cain's curse from the soil.
- Systemic Lies: media, finance, politics — distortion piled on distortion, because the scarlet wave cannot resonate with truth.

Everywhere you look, the fruit is visible. Brutality, lies, control, destruction.

The Proof Cannot Be Denied

Cain's line has spent millennia hiding behind masks: religion, empire, science, law. But the fruit unmasks them.

- Abel's fruit was life, nourishment, peace.
- Cain's fruit was blood, envy, destruction.
- The fruit of Christ is coherence, truth, immortality.

The field does not need arguments. The fruit testifies.

The Final Inspection

On harvest day, there will be no excuses.

- “Every tree that does not bear good fruit is cut down and thrown into the fire.” (Matthew 7:19)

- “The tares are gathered and burned with fire, but the wheat is gathered into the barn.” (Matthew 13:30)

The fruit will be inspected. The verdict will be final. Scarlet cannot pass. White will endure.

Chapter 6 — The Universal Curse

Scarlet in Every Genome

Cain’s act set the precedent, but Adam’s fall ensured that scarlet spread to all. What began as envy and murder in the field of Abel became the universal inheritance of every son and daughter of Adam.

“Through one man sin entered the world, and death through sin, and so death spread to all men, because all sinned.” (Romans 5:12)

Scarlet is not the property of one tribe or nation. It is the condition of all flesh.

Born into Distortion

Every human being is born into scarlet:

- “There is none righteous, no, not one.” (Romans 3:10)
- “All we like sheep have gone astray; we have turned every one to his own way.” (Isaiah 53:6)
- “In sin did my mother conceive me.” (Psalm 51:5)

This is the inheritance of Adam and Cain together — the genome marked, the wave distorted, the seed scarlet.

The Weight of the Curse

Scarlet cannot pass the gate. That is the curse.

- Cain was marked visibly.
- Adam’s seed was marked invisibly.
- Both together ensure that all flesh is subject to collapse.

“For the creation was subjected to futility, not willingly, but because of Him who subjected it, in hope.” (Romans 8:20)

The whole creation groans under this curse, awaiting the harvest when scarlet will be burned and coherence revealed.

Not Ethnicity, But Universality

The curse is universal. Jew and Gentile alike. Empire and slave alike. Cain’s direct descendants were tagged, but the deeper truth is that every seed of Adam carries distortion.

This is why Paul wrote:

“There is no distinction: for all have sinned and fall short of the glory of God.” (Romans 3:22–23)

No tribe is exempt. No nation is immune. The curse levels the field.

Why This Matters

If the curse was only on Cain's line, there might be an escape through ancestry. But coherence does not play favourites. It judges fruit, not faces.

That is why every man, woman, and child must face the harvest.

- Either scarlet remains, and they collapse.
- Or scarlet is rewritten, and they endure.

There is no other outcome.

The Universal Cry for Rewrite

The curse of scarlet explains why the whole creation longs for redemption.

“For the creation waits with eager longing for the revealing of the sons of God.” (Romans 8:19)

What creation longs for is coherence. The curse of Cain and Adam together can only be lifted by a new inscription, a new genome, a new seed.

Chapter 7 — The New Covenant

Tough Love in Flesh

Tough love is never easy to digest, but sometimes it is the only thing that works.

That is why Christ came. Not to flatter the Pharisees. Not to excuse Cain's line. Not to make the scarlet acceptable. He came to overturn the lie, to strike at distortion with love so sharp it cut bone from marrow.

The prophets cried out for centuries: “I desire mercy, not sacrifice.” (Hosea 6:6). But their voices were ignored. The old covenant, twisted by Cain's heirs into pyramids of law and blood, had become a cage.

So the Word Himself came, coherence in flesh, to end the lie forever.

The Lamb Who Ends Sacrifice

John the Baptist saw Him and said: “Behold, the Lamb of God, who takes away the sin of the world.” (John 1:29).

Not another sacrifice. The last sacrifice. Not another blood ritual. The end of blood rituals.

Christ's blood was not Cain's blood — envy, murder, distortion. His blood was incorruptible seed, spilled once to write a new covenant in the genome of humanity.

“This is my blood of the covenant, which is poured out for many for the forgiveness of sins.” (Matthew 26:28).

The Nail of No Return

When they struck the first nail into His flesh, the system of Cain condemned itself.

That was the moment of no return. Coherence had come in person, offering mercy, offering rewrite. They could have yielded. They could have repented. Instead, they hammered.

The very act of murdering the Author of life exposed their fruit forever. “You killed the Author of life, but God raised Him from the dead.” (Acts 3:15).

From that moment, the pyramid of Cain was irredeemable. It sealed itself in scarlet.

The Tearing of the Veil

As the nails pierced, another fabric tore: the curtain of the temple, ripped from top to bottom (Matthew 27:51).

That was the visible sign that the old covenant was finished. The veil of blood and law was removed. The counterfeit gate was exposed as closed.

The true gate, Christ Himself, was now the only door. "I am the way, the truth, and the life. No one comes to the Father except through Me." (John 14:6).

Only One Rewrite

Scarlet cannot be erased by human hands. It cannot be rewritten by law, ritual, or science.

Only the blood of Jesus rewrites the code. Only His incorruptible seed inscribes white into the registry.

- "There is salvation in no one else, for there is no other name under heaven given among men by which we must be saved." (Acts 4:12).
- "If anyone is in Christ, he is a new creation; the old has passed away, behold, the new has come." (2 Corinthians 5:17).

The cross is not just forgiveness. It is a rewrite. A genetic, spiritual, eternal correction.

The Final Offer

The cross was the final offer to Cain's line. The chance to repent, to yield, to be rewritten. Some did. Most did not.

But the field's law is clear:

- Reject the Son, and scarlet remains.
- Accept Him, and scarlet is rewritten.

Tough love is never easy. But it is the only way the curse can be broken.

Chapter 8 — Coherence in the Flesh

The Urgency of the Hour

Coherence has been very patient. For generations it has allowed distortion to run its course — to bear its fruit, to build its pyramids, to expose itself fully.

But patience is not forever. "My Spirit will not contend with man forever." (Genesis 6:3)

If you knew time was short, you would not send a diplomat. You would not send a politician. You would not send a soft voice to soothe.

You would send a watchman.

You would send a sword.

You would send someone like me.

The Word Became Flesh

When the time was right, coherence itself entered history.

“The Word became flesh and dwelt among us, and we beheld His glory.” (John 1:14)

Jesus was coherence embodied. The incorruptible seed walking among corrupted flesh. The true waveform inscribed in human DNA. The scroll of heaven unrolled in blood and bone.

He was not theory. He was evidence. Living, breathing, undeniable coherence in the flesh.

Christ the Incorruptible Seed

Scarlet could not be erased by human effort, but Christ carried incorruptible seed.

- “You were not redeemed with perishable things...but with the precious blood of Christ, as of a lamb without blemish and without spot.” (1 Peter 1:18–19)
- His genome was flawless — no scarlet mutation, no Cain-mark.
- His blood carried the perfect resonance — coherence without distortion.

When He offered Himself, He inscribed white code into the field forever.

Adopted Into Coherence

And as He is, so are we in this world.

- “Christ in you, the hope of glory.” (Colossians 1:27)
- “As many as received Him, to them He gave the right to become children of God, born not of blood, nor of the will of the flesh, nor of the will of man, but of God.” (John 1:12–13)

Through Him, scarlet is rewritten. Through Him, we carry coherence in our flesh. Not by nature, but by adoption. Not by birth, but by rebirth.

This is why distortion rages. A coherent man walking the earth is the one thing Cain’s line cannot overcome.

The Witness of Coherence in Us

Every true believer carries the same pattern:

- The mark of scarlet burned away.
- The incorruptible seed inscribed within.
- The Spirit testifying: “Abba, Father.” (Romans 8:15)

This is not religion. This is coherence in the flesh.

That is why Jesus said: “You are the light of the world. A city on a hill cannot be hidden.” (Matthew 5:14)

Because coherence embodied cannot be concealed. It disturbs distortion simply by existing.

Why You Were Sent

This is why you feel the urgency. Why you cannot keep silent. Why you cannot bend to popularity or comfort.

Because coherence does not send diplomats in the last hour. It sends witnesses. Flesh-and-blood evidence that the field’s verdict is already written.

You are not here to argue. You are here to embody. To stand as coherence in the flesh, just as Christ was.

And when distortion strikes against you, it proves what you carry.

Chapter 9 — The Harvest

The Final Sending

A white dove was sent, bearing peace. Look at what Cain's line did to it.

They nailed it to wood. They crowned it with thorns. They turned peace into war and truth into distortion.

Would coherence send another? No. Every subsequent dove would be the same. The issue was never with the dove, but with the hearts that received it.

That is why coherence has waited. The Word was given once, perfect and without blemish. To reject Him is to remain scarlet. To receive Him is to be rewritten.

There will not be another Christ. The next sending is not a dove, but the harvest.

The Registry is Opened

The harvest is not guesswork. It is registry.

- “And books were opened... and another book was opened, which is the book of life. And the dead were judged by what was written in the books, according to what they had done.” (Revelation 20:12)

Every genome, every seed, every sine wave is logged. Scarlet is recorded as scarlet. White as white. There is no hiding. No excuse. No appeal.

By Their Fruit

“Every tree that does not bear good fruit is cut down and thrown into the fire.” (Matthew 7:19)

At the harvest, fruit is inspected. Abel's fruit is coherence, life, peace. Cain's fruit is distortion, lies, blood. Christ's fruit is immortality, incorruptible seed.

By their fruit they are known. By their fruit they are judged. By their fruit they are gathered — wheat to the barn, tares to the fire.

The Fate of Scarlet

Scarlet cannot pass the 9th gate. That is the curse.

- The tares are bundled and burned.
- The husks collapse.
- The mark of Cain is erased from the field.

This is the waste bin of creation, the lake of fire where distortion is resolved into nothingness.

“If anyone's name was not found written in the book of life, he was thrown into the lake of fire.” (Revelation 20:15)

Not one scarlet genome is saved. Not one distortion endures.

The Fate of White

White seed is preserved, reseeded into the new creation.

- “He who overcomes will be clothed in white garments, and I will never blot his name out of the book of life.” (Revelation 3:5)
- “The righteous will shine like the sun in the kingdom of their Father.” (Matthew 13:43)

The harvest is not destruction for all. It is separation. The sons of Cain collapse. The sons of God endure.

The Patience is Over

For millennia, coherence has been patient, allowing distortion to reveal itself fully. But patience has an end.

The white dove was sent. It was rejected. There will not be another.

Now comes the harvest. The registry is open. The field is cleared. Coherence remains.

Epilogue — The Fall of the Kingdom of Lies

They thought they could rewrite the beginning to secure the end. But coherence is not mocked. The seed determines the harvest, and the lie cannot alter the law. By inverting Abel and Cain, they sealed their own collapse. The fruit exposes the root, and the registry bears witness forever.

The kingdom of lies is finished.

The towers are crumbling. The pyramids are empty. The priests are exposed. The forgers of iron have no more strength. The bankers have no more usury. The generals have no more wars to fight.

Abel’s blood has been avenged. Cain’s line is ashes. The scarlet wave has collapsed into static.

What remains is coherence. What remains is truth. What remains is the incorruptible seed — white, shining, immortal.

The kingdom of lies has fallen. The sons of Cain are no more.

And the field is clean again.

They thought they could rewrite the beginning to secure the end. But coherence is not mocked. The seed determines the harvest, and the lie cannot alter the law. By inverting Abel and Cain, they sealed their own collapse. The fruit exposes the root, and the registry bears witness forever.
